This purchase will come from local district funds.

**Recommendation for Renewal**  
**Kindergarten - 4th Grade Math Curriculum Resources**

**Rationale:**

Our current math resource, *Into Math*, is up for renewal.

**Recommendation:**

The *Into Math* curriculum published by HMH is recommended for renewal as our Kindergarten through 4th grade math resource.

**Process:**

In order to arrive at this recommendation, the district engaged in the following process.

- April 2024
  - A survey was sent to all K-4 teachers asking if we should renew or go through the curriculum adoption process in 24-25 in order to select a new resource.
  - The quantitative feedback was evenly split, but the comments provided by teachers included more comments about keeping the math resource due to a recent new ELA adoption and our MTSS work with our current math resource.
  - The decision was made to keep *Into Math* for 3 more years.
- March 2025
  - A survey was sent to all K-4 teachers asking about the online platform for students and student usage.
  - Based on the feedback, online student access will not be purchased.
- May 2025
  - CIA committee members asked that we survey teachers again to determine the length of time for the renewal.
  - Twenty teachers completed the survey, and the results were:
    - 1 year: 50%
    - 2 years: 25%
    - 3 years: 25%
  - Based on the survey data, we will renew for one year and go through the resource adoption process during the 2025-2026 school year.

**Cost Summary:**

**Resource Materials**

Includes online teacher materials, student consumables, and shipping.
