

ATTACHMENT NO. X. F:                      Approval of Computer Hardware Purchase

Suggested motion:                      Approve the purchase of new Computer Hardware from  
Technology Plus Solutions

Recommended action:                      Approve as presented.

The 2025 Summer Refresh plan represents a critical investment in the district's technology infrastructure and instructional effectiveness. By replacing aging and non-Windows 11-compliant teacher and staff laptops and desktops, we ensure all employees can access secure, reliable, and up-to-date devices that meet current software and security standards. Additionally, refreshing Chromebooks for grades 1, 5, and 9 aligns with our established four-year rotation cycle, which is supported by multi-year teacher and student survey data indicating issues such as student wear, battery expiration, and the need for performance enhancements.

Ensuring equitable access to functional and modern devices for students at these grade levels supports digital learning and classroom readiness. While several vendor quotes were obtained, the proposal recommends the most cost-effective option to fulfill all identified needs, providing continuity in our technology program and reducing future disruptions. This purchase is essential to maintaining operational security, instructional quality, and technology equity across the district. Therefore, we respectfully request that the board approve the summer technology purchase from Technology Plus Solutions of Lake Geneva, WI, in the amount of \$187,802.50.

# SUMMER TECHNOLOGY PURCHASE

## Issue

Microsoft has announced that it will officially end support for Windows 10 on October 14, 2025. After this date, the operating system will no longer receive security updates, bug fixes, or technical support.

In response, we must begin transitioning district devices to Windows 11 to maintain security, compliance, and compatibility with future applications. This upgrade requires replacing any devices that do not meet Windows 11's hardware requirements, such as TPM 2.0 and compatible processors.

To support this transition, we are recommending the purchase of updated Windows laptops, desktops, and Chrome boxes, which will enable us to replace all Windows 10 devices across our computing environment and ensure a smooth continuation of instruction and operations this coming school year.

Monthly payment based on 36 month lease. Other terms and options are available. Contact your Account Manager for details. Payment quoted is subject to change.

Why finance?

- Lower Upfront Costs. Get the products you need without impacting cash flow. Preserve your working capital and existing credit line.
- Flexible Payment Terms. 100% financing with no money down, payment deferrals and payment schedules that match your company's business cycles.
- Predictable, Low Monthly Payments. Pay over time. Lease payments are fixed and can be tailored to your budget levels or revenue streams.
- Technology Refresh. Keep current technology with minimal financial impact or risk. Add-on or upgrade during the lease term and choose to return or purchase the equipment at end of lease.
- Bundle Costs. You can combine hardware, software, and services into a single transaction and pay for your software licenses over time! We know your challenges and understand the need for flexibility.

General Terms and Conditions:

This quote is not legally binding and is for discussion purposes only. The rates are estimate only and are based on a collection of industry data from numerous sources. All rates and financial quotes are subject to final review, approval, and documentation by our leasing partners. Payments above exclude all applicable taxes. Financing is subject to credit approval and review of final equipment and services configuration. Fair Market Value leases are structured with the assumption that the equipment has a residual value at the end of the lease term.

ITSavvy is always looking to deliver the lowest cost possible to our clients. This results in fluctuating prices that you will find are lower more often than not. However, prices are subject to increases without notice in the event of a manufacturer or distributor price increase. Available inventory is subject to change without notice. This document is a quotation only and is not an order or offer to sell.

We do accept credit cards for payment. However, if the credit card is provided after the order has been invoiced there will be a charge of 3% of the total purchase.

Unless specifically listed above these, prices do NOT include applicable taxes, insurance, shipping, delivery, setup fees, or any cables or cabling services or material.

ITSavvy's General Terms and Conditions of Sale, which can be found at [www.ITSavvy.com/termsandconditions](http://www.ITSavvy.com/termsandconditions), shall apply to and are incorporated into all agreements with Client, including all Orders.

**Tariff & Pricing Adjustment Notice.** Prices quoted are based on current costs, including applicable tariffs and import duties as of the quote date. Due to potential changes in government-imposed tariffs, duties, and other regulatory fees, IT Solutions reserves the right to adjust pricing accordingly. If such changes occur before the final purchase order is processed, we will notify the customer of any necessary adjustments. Acceptance of this quote does not guarantee price protection against tariff-related increases.
