Actual electronic data maintained by the Treasurer's office for the annual expenses paid to identified vendors, firms, and individuals for the fiscal years 2023, 2013, and 2003 by the school district, including any predecessor districts that existed at the end of each respective fiscal year and have since consolidated or annexed into the current district. This includes all relevant financial data from districts that, at the time, were separate entities but now form part of the current district. For example, if Districts #100 and #200 were separate in 2000 but consolidated into District #300 in 2010, we would request data for Districts #100 and #200 individually for 2004 and then only for District #300 for 2010 and 2020. This request specifically excludes salaries, wages, and benefits paid to staff members. We are interested in vendors, firms, and individuals who have received total payments of \$500 or more for each fiscal year, regardless of whether this total comes from a single payment or multiple payments.

These records should be provided in their native electronic format, as they are maintained by the Treasurer. Specifically, we are seeking the data contained within each cell of the Excel worksheets used by the Treasurer to track financial transactions. This data should be provided in a single Excel workbook file, with each fiscal year's data on a separate worksheet tab. We suggest labeling each tab as "FYxxx," where "xxx" represents the respective fiscal year (e.g., FY2024, FY2014, and FY2004). The requested format for the data within each tab is as follows: Column A: Fiscal Year - the specific fiscal year for which the data applies (e.g., 2024, 2014, and 2004). Column B: Person/Firm/Contractor Name - the full name of the person, firm or contractor receiving payments. Column C: Aggregate Amount Paid - The total aggregate dollar amount paid to each vendor or contractor for the respective fiscal year.

We request that the Treasurer certify the electronically maintained data in a manner similar to the following: "I, [Treasurer's Name], Treasurer of [School District Name, County and RCDT Number], do hereby certify that the attached records, which consist of expenditure data for vendors, contractors, and individuals (i.e., excluding the salaries and benefits of staff and employees), at or greater than \$500 for the fiscal years 2024, 2014, and 2004, are true, correct, and complete copies of all relevant records found in the files of the Office of the School Treasurer, official custodian of all district money as well as all investments owned by the district. These records are provided in response to a Freedom of Information Act request received by the public body on [Date Received], as evidenced by the email server timestamp. I further certify that these records include all information responsive to the request and that no other records exists that are not included in this response."
