Under the Freedom of Information Act (5 ILCS 140), I request access to public records related to the North Boone Education Association (NBEA) negotiation meeting held by the Negotiations Committee of the North Boone Community Unit School District 200 on May 20, 2025, at 5:30 p.m., posted on nbcusd.schoolboard.net as a "Closed North Boone Education Association Meeting," with four of seven Board of Education members present (Nan Schilling, Judy Hutchinson, Russell O'Donnell, Sarah Meyer, with Schilling as board president and committee member) and a fifth non-committee board member. I attended the meeting's start, where it was called to order with NBEA representatives, the four committee members, and the fifth board member present. Schilling informed me it was not an open meeting, stating the posting was provided by the board's attorney, asked me to leave, and directed questions about the posting to her and the superintendent, the fifth board member was also asked to leave. For example, if Districts #100 and #200 were separate in 2000 but consolidated into District #300 in 2010, we would request data for Districts #100 and #200 individually for 2004 and then only for District #300 for 2010 and 2020. These records should be provided in their native electronic format, as they are maintained by the Treasurer. Specifically, we are seeking the data contained within each cell of the Excel worksheets used by the Treasurer to track financial transactions. This data should be provided in a single Excel workbook file, with each fiscal year's data on a separate worksheet tab. We suggest labeling each tab as "FYxxx," where "xxx" represents the respective fiscal year (e.g., FY2024, FY2014, and FY2004). The requested format for the data within each tab is as follows: Column A: Fiscal Year - the specific fiscal year for which the data applies (e.g., 2024, 2014, and 2004). Column B: Person/Firm/Contractor Name - the full name of the persons, firm or contractor receiving payments. Column C: Aggregate Amount Paid - The total aggregate dollar amount paid to each vendor or contractor for the respective fiscal year.

We request that the Treasurer certify the electronically maintained data in a manner similar to the following: "I, [Treasurer's Name], Treasurer of [School District Name, County and RCDT Number], do hereby certify that the attached records, which consist of expenditure data for vendors, contractors, and individuals (i.e., excluding the salaries and benefits of staff and employees), at or greater than \$500 for the fiscal years 2024, 2014, and 2004, are true, correct, and complete copies of all relevant records found in the files of the Office of the School Treasurer, official custodian of all district money as well as all investments owned by the district. These records are provided in response to a Freedom of Information Act request received by the public body on [Date Received], as evidenced by the email server timestamp. I further certify that these records include all information responsive to the request and that no other records exist that are not included in this response."
