Purchases

Potential motion: Move to Approve the Proposal from Howard Technology
Solutions for Smart Touch TVs

Recommended action: Approve the motion.

It is recommended that the Board approve the purchase of 9 touch screen tv's and 7 mounts from Howard Technology Solutions. Last year the District began transitioning from smart boards to touch screen tv's. This year we will be replacing 9 of our old smart boards with the touch screens across the district.

Each year we walk through each classroom and evaluate the technology teachers use. This years goal was to replace the remaining board style smartboards, and replace problematic projectors. Our New standard is Smart Touch Tv's . After this refresh, our district will be in a very reliable position for a few years.
